10. Late Payment Charges

All parents are liable for fee payments on the due dates. Late payment charges will be raised when payment has not been made by the due date. The current late payment charge is calculated at an interest rate of 2% plus an additional administrative fee for processing the late payment.

11. The above conditions apply for the entire school year. The notice of fees for the following year will ordinarily be given 3 months before the end of the school year. Notification of withdrawal must be given in writing by the legal guardian or parent at least **TWO MONTHS** before the last day of the student's last term.
